

GUIDING YOUR CHILD TO BE A CYBER CITIZEN

RAISING SAFE, RESPONSIBLE & POSITIVE DIGITAL CITIZENS IN TODAY'S ONLINE WORLD

Helping children:

- Understand the Cyber World
- Handle Online Content & Behaviour Wisely
- Build a Positive Presence in the Cyber Community

FOR PARENTS:

SUPPORTING YOUR CHILD WITH CONFIDENCE, CARE, AND GUIDANCE IN THE DIGITAL AGE.

UNDERSTANDING THE CYBER WORLD

Opportunities:

- **Learning and research**
- **Creativity and innovation**
- **Communication and collaboration**

Risks:

- **Scams and phishing**
- **Cyberbullying**
- **Misinformation**
- **Privacy threats**

PARENT TIP:
TEACH CHILDREN TO PROTECT PERSONAL INFORMATION AND THINK BEFORE THEY CLICK.

HANDLING ONLINE CONTENT WISELY

ENCOURAGE CRITICAL THINKING

Teach your child to ask:

- Is this information true?
- Who created it?
- Can I trust this source?

REMIND THEM:

- Not everything online is accurate
- Avoid spreading false information
- Respect copyright and ownership

ENCOURAGING RESPONSIBLE ONLINE BEHAVIOUR

GOOD DIGITAL HABITS INCLUDE:

- Being respectful in messages and comments
- Thinking before posting or sharing
- Avoiding hurtful language or cyberbullying
- Reporting harmful or inappropriate content

Key Message

"Pause, Think, Protect."

BUILDING A POSITIVE DIGITAL PRESENCE

Your child's online actions shape their digital footprint.

ENCOURAGE THEM TO:

- Share kindness and positivity
- Support others online
- Use technology for learning and growth
- Represent themselves responsibly

REMINDER:

What goes online can last a long time.

HOW PARENTS CAN SUPPORT **BE INVOLVED, INFORMED, AND ENGAGED**

Parents can:

- **Talk regularly about online experiences**
- **Set clear family digital boundaries**
- **Explore apps and platforms together**
- **Model respectful online behaviour**
- **Encourage open communication**
